

# VERSO UMBRELLA RETIREMENT PENSION FUND

## ANNUAL FUND REPORT 2015 - DECEMBER 2015

### INTRODUCTION

This report forms part of the Trustees communication policy. It endeavours to provide both participating employers and fund members with useful information about their fund and specific information regarding the Fund's financial position which is based on the latest financial statements approved by the Trustees.

The Fund is a defined contribution fund and therefore the optimization of fund returns and the minimization of fund expenses are of critical importance. Both these issues are addressed within this report.

Members are encouraged to contact the Fund's Trustees or their human resources department with any questions and concerns.

### CHAIRPERSON'S NOTE

We are certainly living in exciting albeit turbulent times for retirement funds. Not only will legislation be amended to align pension and provident funds, we are also experiencing volatile investment markets. **Our focus as the Board of Trustees is to manage the Fund within the legislative and governance framework and we want to assure you that we make every endeavour to provide you with the best possible outcome on retirement.**

The annual fund report includes information regarding the composition of the Board of Trustees, amendments to the rules and some interesting statistics related to your investments. We introduced

the option to preserve your savings in the fund as a paid-up benefit, should you exit the Fund.

Furthermore, we have negotiated a cost effective way to purchase an annuity/pension when reaching retirement. Fund consultants can assist members when they reach retirement should they wish to investigate this option at retirement.

By introducing these options, we trust that you will find it easy to make the right choice when leaving the fund. Savings and preserving your savings until retirement will definitely play a vital role in ensuring that you retire comfortably.

Please look out for the Fund's 2016 communication. We are **revamping** our newsletters and posters and cannot wait to hear your response to the new look.

### Wahida Parker

## FUND GOVERNANCE

The Fund is a separate legal entity, totally independent of the Fund's sponsor, Verso Financial Services (Pty) Ltd, and is managed by the Board of Trustees. As part of the Trustees' commitment to good governance as prescribed in the Financial Services Board Circular PF130, the Trustees have formulated **the following Fund policies:**

- Board charter for the Board of Trustees;
- Communication policy and strategy;
- Investment strategy;
- Risk management policy;
- Self-assessment framework for Board members.

These policies were formulated to ensure that the Fund is optimally managed to the benefit of the members of the Fund. The Trustees review these policies annually to ensure their relevance.

### Rule amendment to the Fund:

Rule amendment no 1 to the Fund, effective 1 March 2015, was approved by the Financial Service Board. **The following is implemented:**

- Provides a category for membership for employees working on a temporary basis for the employer (example – seasonal workers);
- Allows for members to leave their retirement savings in the Fund, after the member exits the fund (paid up preservation option);
- Provides the option for members to postpone the payment of their retirement benefit, after a member has retired from the employer;
- Allows for tracing costs to be deducted from a members benefit in order to pay out benefits not claimed;
- Includes generic and legislation changes as prescribed by the FSB.
