Dear Verso Stakeholder

COVID-19 PANDEMIC / ALERT LEVEL 3 OF SOUTH AFRICA

Permitted economic activity

Verso Financial Services Pty Ltd is a permitted economic activity, as defined.

Alert Level 3

Please note that most of our staff are still working from home. Staff may be required to go the office from time to time and will be provided with the necessary permission forms to do so.

We also welcome clients and service providers at our office but do request strict compliance to all protocols in place and social distancing measures.

Health and Safety

The health and safety of all our stakeholders is paramount to us. We have taken significant steps to ensure that our preventative actions were geared toward ensuring limited exposure risk to all our staff and clients and service providers that have been and will be visiting our offices.

Stakeholder Engagement

We will continue to proactively engage with all our stakeholders. Please do not hesitate to email us at info@verso.co.za and we will urgently attend thereto. Our reception staff are available to take your calls on +2721 943 5300.

Business Continuity

We have implemented working from home for all our staff, to ensure effective business continuity. We will endeavour to maintain the same level of service delivery you have become accustomed to.

Client Support

We value you, our clients, and we will do whatever is required to ensure continued support and service delivery to you. We urge you to stay safe, stay at home and together we can combat this pandemic.

Kind regards,

W Hugo
CEO – Verso Group of Companies
