1. Introduction

In terms of the Financial Advisory and Intermediary Services Act, 2002, Verso Financial Services (Pty) Ltd ("Verso Financial Services (Pty) Ltd") is required to maintain and operate effective organisational and administrative arrangements with a view to taking all reasonable steps to identify, monitor and manage Conflict of Interest ("COI"). Section 3A(2)(a) of the FAIS General Code of Conduct ("GCOC) stipulates that every financial services provider, other than a representative, must adopt, maintain and implement a conflict of interest management policy that complies with the provisions of the Act.

2. Purpose

The purpose of this policy is to comply with these obligations and provide for mechanisms in place to identify, mitigate and manage the conflicts of interest to which Verso Financial Services (Pty) Ltd is a party. In addition, to ensure alignment between the values of the organisation and the conduct of its people by safeguarding clients' interests and ensuring the fair treatment of clients.

Verso Financial Services (Pty) Ltd is committed to ensuring that all business is conducted in accordance with good business practice. To this end, Verso Financial Services (Pty) Ltd conducts business in an ethical and equitable manner and in a way that safeguards the interests of all stakeholders to minimise and manage all real and potential conflicts of interests. Like any financial services provider, Verso Financial Services (Pty) Ltd is potentially exposed to conflicts of interest in relation to various activities. However, the protection of our clients' interests is our primary concern and so our policy sets out how:

- we will identify circumstances which may give rise to actual or potential conflicts of interest entailing a material risk of damage to our clients' interests;
- we have established appropriate structures and systems to manage those conflicts; and
- we will maintain systems in an effort to prevent damage to our clients' interests through identified conflict of interest.

To achieve the objectives set out above, this policy sets out the rules, principles and standards of Verso Financial Services (Pty) Ltd COI management procedures, by documenting them in a clear and understandable format.

3. Scope of application

This policy is applicable to Verso Financial Services (Pty) Ltd, all providers of Verso Financial Services (Pty) Ltd, key individuals, representatives, associates and administrative personnel. Verso Financial Services (Pty) Ltd is committed to ensuring compliance with this policy and the processes will be monitored on an ongoing basis.

Any non-compliance with the policy will be viewed in a severe light. Non-compliance will be subject to disciplinary procedures in terms of FAIS and employment conditions and can ultimately result in debarment or dismissal as applicable.

Avoidance, limitation, or circumvention of this policy via an associate will be deemed non-compliance.
